

Gacaca achievements in the pilot phase

Confessions before Gacaca courts	Cases of preventive detention	Persons released by Gacaca courts	Persons put on the list of suspects by Gacaca Courts	Persons put on the list of suspects by the Public Prosecution in pilot area
2,883	606	555	63,447	56,763

Simple projection of the suspects on the basis of the results from the pilot phase :
(63,447x 9013) :751= 761448 persons to be prosecuted countrywide

Figures showing how defendants are categorised by Gacaca courts (pilot phase)

Number of persons categorised	Category 1	Category 2	Category 3
59171	6817	36426	15928

- First category : **11.5%**
- Second category : **61.6%**
- Third category : **26.9%**

Data collection/Investigations countrywide

- Data collection activities were launched on 15/01/2005 and they are organised into 3 stages:
- Data collection at the cell level by the population and their leaders (January to April 2005)
- Information validation by the general assembly of the Gacaca Court of the Cell (May to July 2005)
- Open community debate on the validated information (August to December 2005)

Trials conducted from 10/03/2005 to 31/12/2005

Province/ City of Kigali	Trials provided	Verdicts returned	Non returned verdicts	Appeal cases	Verdicts returned in Appeal courts	Acquittals	TIG (Community Services)
Kigali City	462	424	38	172	34	29	141
